In 1931 the Resident passed general orders sanctioning the undertaking by the clerks and peons of the Inspector's office of work in connection with certain local examinations, as he was satisfied that the performance of the work would involve no detriment to the official duties of the Government servants concerned. The Inspector was not included in those orders, as at the time his case was not mentioned. We have however been sanctioning the acceptance of the remuneration by the Inspector and his staff since 1932, and no certificate was asked for till now. As the Accountant General now wants a certificate, it may be issued under Supplementary Rule 11, ~~since~~ made ~~the Resident has no delegation~~ under F.R. ~~46(a)~~ 47.

OFFICE OF THE ... 1943 ... 14.2.43 ... RF 18/43

Sir,

I have the honour to invite a reference to your Memorandum No.R.F.18-40/G & A., dated 12th January 1943, and to request that the approval of the Hon'ble the Resident may kindly be obtained for payment to my staff and me of the amounts given in the statement furnished below for work done in connexion with the Cambridge Local Examinations and the examinations of the Associated Board of Music in addition to our legitimate duties but without detriment to them.

As required by the rules, I attach a statement of receipts and expenditure for the Cambridge account. This shows a credit of Rs.1,374-11-9 against Rs.1,069-12-3 of the previous statement in spite of increased expenditure under superintendence due to the fact that the Higher School Certificate Examination began three days before the rest of the examinations did and a larger number of candidates took Physics and Chemistry for the School Certificate and Junior School Certificate Examinations, entailing additional expenditure under laboratory charges. The larger balance is accounted for by the larger amount brought forward and the sum of Rs.107-12-0 realized from the sale of surplus stationery (to ease the situation that prevailed at our schools early this year of an acute shortage of stationery). We have a considerable stock of surplus stationery on hand this year. This will be sold only if

P.T.O.

there is a prospect of our being able to procure paper of better quality later in the year, our present stock consisting almost entirely of unbleached paper. After allowing Rs.100 for postage on the duplicate scripts to be dispatched to Cambridge and meeting the present expenditure, we shall carry forward a balance of Rs.648-11-9.

SUBJECT:-- Remuneration for work done in connexion with the Cambridge Local Examinations of 1944- Payment of-.

Sir,

With reference to your Memorandum No.R.F.18/40/G&A., dated the 4th January 1944, I have the honour to forward herewith an audited statement of the accounts of the Cambridge Local Examinations for the calendar year ending December 31, 1944, showing a closing balance of Rs.1868-14-0 against a balance of Rs.1374-11-9 of the previous year, due to the higher rate of local fees levied to meet a possible rise in the price of stationery. Our rates are not higher than those of Madras, but all the same they will be reduced once it is finally settled not to have answers written in duplicate. In the meantime I request that the approval of the Hon'ble the Resident may kindly be obtained for the payment of the sum of Rs.822 to my staff and me for work done in connexion with the examinations in addition to our legitimate duties but without detriment to them and Rs.75 to the Treasury Officer for auditing the accounts. After payment of the sum of Rs.897 there will be a balance of Rs.971-14-0 to be carried forward against Rs.747-11-9 in the previous year.

I give below a statement showing the remuneration to be paid to each member of the staff:
